RIOND - BOSSON 3,  
1110 MORGES, SWITZERLAND

TEL : +41 21 508 7078  
[INFO@SWISSCAPSULE.COM](mailto:INFO@SWISSCAPSULE.COM)

With a collective experience of more than 50 years, Swiss Mechanical Solutions (SMS) SA based out of Morges, Switzerland brings together a team of dynamic individuals possessing strong, diverse and rich experience in the Swiss Watch industry. Their combined experience backed by vibrant entrepreneurial & cultural spirit spans across areas like creating innovative technical solutions, sales, marketing and distribution across luxury watch & accessory industry dominating the global luxury market.

The background is a close-up, blurred photograph of mechanical components, possibly from a car engine or a large machine. The colors are vibrant and saturated, including deep blues, bright oranges, and rich reds. The lighting is dramatic, with strong highlights and deep shadows, creating a sense of depth and texture. The overall composition is abstract and modern.

————— NOW, WHAT DO WE BRING TO YOU ?

#LotsW  
A WATCH WINDER BUILT FOR  
WATCH CONNOISSEURS  
WITH IMPECCABLE  
CRAFTSMANSHIP POWERED  
BY SWISS TECHNOLOGY TO  
WIND YOUR MEMORABLE  
AND VALUABLE TIME PIECES

The background is a close-up, blurred photograph of mechanical components, possibly from a watch movement. It features a mix of dark, metallic surfaces and bright, saturated colors like orange, blue, and red, which are out of focus. A thin red horizontal line is positioned just above the text.
